REPORT ON BOOKS AND PERIODICALS.

To the President and Members of the White River Conference:

We, your Committee on Books and Periodicals, submit the following report:

We are glad to say that all our connectional publications—the Review, the Christian Advocate, the Epworth Era and all our Sunday school periodicals—are good, clear, strong and eminently helpful factors in the great work of our Church. We believe these publications should be in every home in this Conference.

We are glad to say that the Arkansas Methodist is strong and helpful. We indorse its editorial policy and urge the pastors to push its claims.

Your committee is advised that the Indian Mission Conference, which met at Lawton, Okla., instructed the publishing committee of their organ—the Western Christian Advocate—to open negotiations with the pub-

lishers of the Arkansas Methodist, looking to a consolidation of the two papers. We are advised that this action was taken without any solicitation from the publishers of the latter paper, and that the Indian Mission Conference unanimously and enthusiastically adopted the resolution looking to that end. The editors and publishers of the Arkansas Methodist advise us that they did not feel at liberty to enter into any engagement without consulting the patronizing Conferences in Arkansas, and they are now, through this committee, applying to this Conference for instructions.

We therefore recommend that you heartily approve the project, leaving all details to be worked out according to the business exigencies that pertain to it.

We recommend the election of M. M. Smith, Frank Barrett and F. C. Sterling as a publishing committee.

REPORT ON TEMPERANCE.

Your Committee on Temperance beg leave to report as follows:

Since every interest of society—commercial, civil, social and religious—is affected and imperiled by the drink habit and the traffic in intoxicants, since it menaces our sons and lurks like a poisonous adder by the pathway of our daughters; therefore, be it

Resolved (1), That we again put ourselves upon record as opposed to the manufacture, sale and use of intoxicating liquors in any form, and hereby pledge ourselves to co-operate with all good citizens of our State to banish the fearful curse from our borders:

Resolved (2), That we recognize the Anti-Saloon League and the Woman's Christian Temperance Union as invaluable allies in this great work, and stand ready to join our forces with theirs in every laudable effort to free our land of saloons and their attendant evils. And we regret that the Chief Executive of this State has pardoned so many persons who have been convicted for violating our temperance laws, and we enter our solemn protest against such pardons, and we believe and insist that the judgments and sentences of our courts and juries against violators of our temperance laws should not be disturbed by the Governor.

Whereas, We have received a petition signed by many members of several denominations of this State, asking that this Conference designate three members to co-operate with a like committee from each of the other denominations, who, as a State Executive Board, shall devise the plans and direct the work in behalf of civic righteousness against the saloon and its allied evil forces; therefore, be it

Resolved, By this Conference that we comply with the request in said petition, and hereby suggests Rev. Frank Barrett, J. J. Mardis, Esq., M. E. Collier and W. M. Wilson as the three members to serve on said committee of co-operation from this Conference.

BIBLE CAUSE.

We, your Committee on Bible Cause, beg to submit the following report:

On careful investigation we find the American Bible Society is very much in need of more funds.

We judge the trouble arises from two causes, namely:

The great call that is being made for the free distribution of Bibles and Testaments to those who are not able to pay for them and the lack of attention this matter has received at our hands as custodians, into whose hands this matter has been placed.

We note with pleasure, however, the increase on these lines has been steady for the past four years in the bounds of the White River Conference. We also learn, with some degree of disappointment, mingled with sadness, that the American Bible Society is publishing a Testament called the American Revised Edition of the New Testament, in which the word "in" is used instead of the word "with," as it occurs in the King James translation, in connection with the word "baptize." Therefore, be it

Resolved, That we protest against the further publishing of this sectarian publication by the American Bible Society, or the Methodist Episcopal Church, South, be released from its obligation in the support of this institution; and, be it further

Resolved, That a copy of these resolutions be sent to the American Bible Society by the Secretary of this Conference.

Signed by the committee.

F. E. TAYLOR.

SABBATH OBSERVANCE.

To the Bishop and Members of the White River Conference:

Dear Brethren—We, your Committee on Sabbath Observance, submit the following report:

We recognize the great importance of the subject and the practical value of a quiet Sabbath, to the interest of the Church. We have been much interested in the report concerning the World Congress on Sunday Rest held last year in St. Louis.

We are gratified to hear of the progress of the Sunday League of America represented at this session of our body by Dr. Edward Thompson. We have examined some of the literature of this League and believe it to be valuable and deserving of wide circulation. We are glad to know that Dr. Thompson expects to spend two weeks of the coming year in the bounds of our Conference, and trust that he may greatly inspire our people to a love for God's holy day. We extend to Dr. Thompson a cordial invitation to come and labor among us. We recommend that the "Lord's Day Week" appointed by the Sunday League of America, the first week following Easter, be observed by all our charges, and pastors be requested to preach on Sunday observance on that Sunday, and ask the people to pray and think and teach their children, so that this week may have its influence and check the Sunday desecration so prevalent in the summer time. We must all work and do our best to preserve this blessed institution, our Father's love, and handed down to us.

N. E. SKINNER, Chairman.

FRANK P. JERNIGAN, Secretary.

REPORT ON DISTRICT CONFERENCE JOURNALS.

We, your Committee on Conference Journals, submit the following as our report:

The records of the Jonesboro District are done in splendid form. Care and neatness are manifest in style and penmanship and carefully itemized.

The records of the Helena District are apparently correct, in due form, with fairly good penmanship; also in good style and neatly kept.

The Batesville District journal has been kept in exceptionally fine style. The record was made with typewriter, and every item was systematically arranged.

The Searcy District journal has been well kept, but the secretary failed to state the number of the session, and the appearance of one page is marred by being blotted with ink.

The records in the Paragonld District journal have been correctly kept and are in splendid form. Care and neatness are shown in the manner of work.

We commend the marginal itemizing of some of these records, and recommend that the same be used in all our journals.

Respectfully submitted,

We recommend that the following brethren be granted a superannuated relation: G. A. Dannelly, S. D. Evans, S. W. Register, W. A. Pendergrass, F. M. Smith, W. W. Anderson and U. T. Gregory. We also recommend that T. B. Williamson and James Wilson be granted a supernumerary relation.

REPORT ON SPIRITUAL STATE OF THE CHURCH.

To the President and Members of the White River Conference:

Brethren—We, your Committee on the Spiritual State of the Church, submit the following:

The Methodist Church, since the days of her illustrious founder, has ever been in the front in revival work. The Holy Spirit has set His seal upon the efforts of her sons. His presence, promised by our risen Lord, has been realized in a special manner this year. A great revival wave has spread throughout our bounds. We note with great pleasure the large number of conversions and accessions to our church: The saved are counted by thousands. This is a cause for rejoicing and thanksgiving.

New inspiration and new zeal should possess every heart in our beloved Zion. Our mission to spread Scriptural holiness should be prosecuted with diligence, and as the laity will, in a large measure, be like our ministry in the degree of spirituality maintained, let all our preachers be patterns of godliness, provoking one another to good works.

We recommend, also, that thanksgiving be offered the Father of Mercies for the outpouring of His Spirit the present year and pray for the continuance of His saving power among us.

We further recommend that all our preachers raise their voices in protest against any encroachments of worldliness within our Church, but always in the spirit and meekness of Christ.

We especially recommend that this Conference, by formal action, memorialize the Congress of the United States to submit to the several States an amendment to the Constitution prohibiting polygamy in any Territory of the United States: also that the representatives in Congress from Arkansas be urged to give most earnest support to this measure.

S. L. COCHRAN, Chairman.

W. L. OLIVER, Secretary.

REPORT OF EPWORTH LEAGUE BOARD.

To the President and the Members of the White River Annual Conference:

Dear Brethren—In reviewing the growth and work of the Epworth League throughout our connection, we have grounds for encouragement and gratitude. With slight fluctuations, the work has grown until it is now a recognized force in our connection, and the wisdom of its existence is no longer questioned.

The Epworth League is the legitimate outcome of the teaching of early Wesleyan Methodists, and its plans and methods answer exactly to the spirit and tenets of our Church, embodying those things which our to the spirit and tents of our Church, embodying those things which our interpretation of the New Testament indicate we should provide for the young.

We can but hail with joy the presence of an organization which has helped over Three Hundred Thousand young people in their spiritual lives, inspiring hundreds with missionary zeal and scores to enter the foreign field, contributing over two hundred thousand dollars to the work abroad and circulating fifty thousand volumes of wholesome literature among our young people at home.

However, the slight growth, as indicated by the statistics of our Conference for the past year, is a matter of regret. We hope that the present revival that is sweeping through our Conference will result in the organization of our young people into active chapters, where they will be trained for larger service. We again appeal to the pastors and presiding elders to more earnestly co-operate with the Board in their efforts to revive the League work in our bounds.

The work accomplished by the League Conference and Assembly held at Searcy, Ark., was exceedingly helpful to all in attendance, and we recommend that a similar conference be held at a central point during the incoming year, and request that each pastor see that his League or Church be represented.

We are pleased to have Rev. L. S. Parker, associate editor of the Era, with us, and are grateful for his wise counsel and inspiring address. We

note with pleasure the increased size, quality and attractiveness of the Epworth Era, and commend it to all our leaguers, pastors and parents as the most valuable help in our work among the young.

We also gratefully acknowledge the placing at our disposal of one page in our excellent Conference organ, the Arkansas Methodist, and hope that the various chapters in our Conference will avail themselves of this most excellent method of inter-communication.

We urge that all our Leagues respond to the call of the General Board for the payment of the ten-cent assessment, to be used in defraying the expenses of said Board. Respectfully submitted,

W. M. WILSON, President.

F. C. STERLING, Secretary.

REPORT OF SUNDAY SCHOOL BOARD.

To the President and Members of the White River Conference:

Dear Brethren—Our efficient and esteemed Sunday school editor, Dr. Atkins, informs us that this has been a very prosperous year throughout the Church in Sunday school work with a large increase in the circulation of our literature and, in fact, a very gratifying increase in all lines of Sunday school work. Many of our schools have attained to the dignity of real schools, in which the youth of our Church are being educated, and thus the better prepared for greater usefulness. Here in our own Conference we are glad to say we have been making some progress, but have not reached the degree of success we desire to see. The Statistical Secretary's report shows an increase in the number of officers and teachers and pupils, also in money raised, but a decrease in the number of schools. Many of the schools failed to observe Children's Day, while some seem to have observed it and report collections taken, but failed to turn the money into its proper channel. The result is the Statistical Secretary's report and the Treasurer's report do not correspond.

We have received from the Auditing Committee \$109.82; received before Conference \$46.06, making a total of \$155.88. Ten per cent. of this has been sent to the General Sunday School Board and 10 per cent. paid to the Board of Education, leaving a balance of \$124.78. After providing for needy schools we have a balance from last year of \$31.38, which has been equally divided between the General Board and the Board of Education.

In accordance with the action of this Conference at its last annual session, your Board has planned to co-operate with the Sunday School Boards of the Arkansas and Little Rock Conferences in projecting a movement to provide for a Sunday School Secretary for the State, who shall devote all of his time to the promotion of Sunday school work. At present we assume no financial obligations, except for the payment of the expenses of such institutes as we may determine to hold. We hope to perfect our plans during the year so that this very important work may receive the attention it deserves.

W. M. WILSON, Chairman.

T. B. WILLIAMSON, Sec. and Treas.

REPORT OF THE BOARD OF MISSIONS.

Brethren—We have with us the fifty-ninth annual report of the General Board of Missions, from which we excerpt the most encouraging facts:

"Our membership on the foreign field now numbers 15,711, with 94 native traveling preachers and a missionary force of 245, which includes 67 missionaries who are working under the Woman's Board. Our total receipts for the maintenance of this work were \$436,859.12. • Our collections on assessments were \$326,245.99, with an increase for the year in total receipts of \$47,245.99. Twelve annual Conferences paid their assessments in full for foreign missions. These include 100 districts which have paid the assessment for foreign and 77 districts which have met the claims for both foreign and domestic missions. During the year 3,133 charges have brought up these claims in full—the largest number yet recorded—being an increase of 493 over last year. Including amounts paid for domestic missions and the contributions of the Woman's Foreign and Home Mission Societies, our Church paid during the past year a little more than \$900,000 for missions at home and abroad. While this affords no ground for boasting upon the part of a membership of over one million and a half of Methodists, it is, nevertheless, a cause for thankfulness, and should prove a stimulus to increased effort."

In consonance with the above note of progress your committee reports a total increase in the collections for foreign missions of above \$1,600, \$1,000 of which is the increase in collections on the regular assessment. We are also happy to report the special efforts made by Batesville and Helena to support each a missionary for itself, and to place their pastors—Rev. W. M. Wilson of the former and Rev. H. G. Henderson of the latter—on the honor roll of missionary endeavor.

We are sorry to report that our very small domestic missionary assessment has not been paid; there is, in fact, a nominal decrease from last year. The amount on hand—\$1,500—has been appropriated as follows:

Paragould District.

Boydsville	\$ 40.00
Piggott Mission	40.00
Swifton Circuit	60.00

REPORT OF THE BOARD OF EDUCATION.

To the Bishop and Members of the White River Annual Conference:

Dear Brethren—Your Conference Board of Education submits the following report:

We note with pleasure the encouraging report which comes to us from the General Board of Education, showing an increase in the number of students in the schools of our Church and an increased interest in the work of our Correspondence School. We heartily endorse the work of the Correspondence School and urge all of our undergraduates to avail themselves of the opportunities offered by this school in their courses where it is at all possible.

Galloway College.

The report from Galloway College is very gratifying. It has an enrollment already of more than three hundred students. Current expenses are all promptly met. The moral tone of the school was never better. The crying need of that institution is the liquidation of the debt which has so long hampered it, and the provision of additional room to accommodate its increasing patronage.

We recommend: First—That Dr. L. E. Moore and Rev. Fred Little succeed themselves as members of the Board of Trustees. Second—We heartily co-operate with Rev. D. J. Weems, financial agent, in his efforts to relieve the indebtedness of the college.

Hendrix College.

We note with interest the fact that Hendrix College has the largest enrollment for this period of the scholastic year that it has ever had. The work that this school is doing for Arkansas Methodism is invaluable. We are handicapped here for the lack of an adequate endowment. On account of the large number of beneficiaries in this school there is an annual deficit in current expenses of about three thousand dollars.

We recommend: First—That the Board of Trustees be allowed so to alter the charter of the college that four additional members from each Annual Conference may be placed on the Board of Trustees. Second—That Rev. F. S. H. Johnston, the financial agent, be requested to give all of his time, or as much of it as possible, to raising an endowment for this col-

lege, and that we assure him of our hearty co-operation. Third—That Will Stuck succeed George Culberhouse on the Board of Trustees; that W. C. Davidson succeed himself, and that Captain George Marchbanks succeed W. L. Jeffries.

Sloan-Hendrix Academy.

The Sloan-Hendrix Academy at Imboden is doing a fine work. We heartily commend Prof. G. J. Evans and his assistants to the people of this Conference. We agree heartily with the committee appointed by Bishop Galloway at the Tennessee Conference that we need a great college for the higher education of our women, to be established somewhere in the Central Southern States, and while we feel that our first duty is to our own heavily-burdened church schools in Arkansas, yet we ask that a committee be appointed from the White River Conference to confer with the committees appointed by other Conferences for the purpose of considering this matter.

We cheerfully give our moral endorsement and fraternal co-operation and Christian sympathy to the work done by the John C. Martin Educational Fund, and we earnestly pray that this philanthropic movement may be blessed of God, to the elevation of the negro race through a well-trained, educated ministry, and also to the education of the white people residing in sections incorporated in the plan.

We recommend that Rev. Frank Barrett be appointed Secretary of Education.

FRANK BARRETT, Chairman.

A. E. HOLLOWAY, Secretary.

IN MEMORIAM

DAVID H. CONYERS.

Rev. David H. Conyers was born in Tennessee. The date and place is not known to me, neither are the names of his parents. He died at his father's home in Tennessee, May 9, 1905. He was on trial in this Conference, and was making full proof of his ministry when failing health forced him to give up all ministerial duties. His best and most abiding work was done at Gardner Memorial while junior preacher under Rev. N. E. Gardner. He put his life and best effort into that work. At the session of our last Conference he was assigned to Mountain View Circuit. He was soon at his post and began at once to build a new church at Mountain View. His zeal was beyond his physical strength, and during the cold winter weather he exposed himself to the cutting, keen air, and his health began at once to rapidly decline. Consumption laid its fast hold on him and the tale was soon told. A true man, a promising young preacher, a consecrated Christian, a loving son and a loyal, loving follower of our Lord has ceased to be among us. We bow in humble submission to Almighty God, who doeth all things right and well. We trust and hope to meet him again when labor ends and rest begins.

JAS. F. JERNIGAN.

THOMAS JEFFERSON SETTLE

Was born in Robinson County, Tennessee, March 21, 1841, professed conversion when but 9 years old and joined the M. E. Church, South. He was licensed to preach in the year 1866. On March 12, 1867, he married Mrs. Sarah L. Jones, who died July 17, 1874. August 26, 1875, Bro. Settle was again married to Miss Sarah J. Harris, who, with several children, survive him and mourn their loss. He died at his home in Poinsett County March 30, 1905.

Brother Settle was religiously inclined from early childhood and a Bible student all his life. He escaped all bad habits when young, hence had no strong bent of mind or strongly entrenched dispositions to overcome.

He was admitted on trial at the organization of the White River Annual Conference, held at Mt. Zion, Cross County, in 1870.

He was admitted into full connection at Augusta, Ark., October, 1872, and ordained deacon by Bishop Wightman. We failed to find a record of his ordination as elder, or location, but he was remitted as elder at Searcy, December, 1887, and superannuated at Newport, November, 1897.

Bro. Settle served from 1861 to 1865 in the Confederate army; was

wounded in the ankle, which gave him considerable pain and inconvenience for some time after hostilities ceased.

The first Sunday after he returned he appointed and held a prayer meeting. A man of great faith, strong convictions and unswerving integrity, he loved his family, his Church and his God. He was a close student, a cogent thinker, a good writer and a clear and sound theologian.

His works were circuits and missions, and many are the hard battles he fought when, especially in this country, it meant something to be a circuit rider.

We should cherish the memory of those heroes of the past, who trod down the way and made out the paths and made possible the work we now are able to do. Our heritage is to enter into their labors. May we be as faithful and consecrated as they were.

REV. J. M. TALKINGTON

Was born in Jackson County, Alabama, in 1835, and was the eldest in a family of nine children. He was educated in the schools of Jackson County, Alabama, and came to White County, Arkansas, at the age of 19. Bro. Talkington was married to Miss Sarah A. Wright in 1856. Bro. Talkington joined the White River Conference at Mt. Zion in 1870 and was assigned to Searcy Circuit, where he remained three years, after which he was sent to West Point Circuit, and thence to El Paso Circuit, and was appointed Presiding Elder of Helena District in 1882. He served Beebe Station from 1884 to 1886; served Searcy District from 1886 to 1888, and was then appointed to Searcy Station. His last pastoral charge was Vandale, where appointed to Searcy Station. His last pastoral charge was Vandale, where he remained one year, and, feeling that his health was rapidly declining, requested a supernumerary relation. After Conference Bro. Talkington thought that he had sufficiently recovered to work again, and undertook to supply West Point Circuit, but he soon began to fail and continued to decline until the end came at his home in Searcy, October 1, 1905.

Bro. Talkington was a strong preacher. But few men have been more successful in leading sinners to Christ than he.

His funeral was from the First Church in Searcy, Ark. The services were conducted by Rev. Frank Barrett, assisted by Rev. F. A. Jeffett and J. D. Sibert. His body sleeps in the Wilks Cemetery, awaiting the great resurrection, when those who turn to righteousness shall shine as the stars forever and ever.

JULIEN C. BROWN, D.D.

With the disappearance of Julien C. Brown from among us, passes out one of the most striking personalities that has ever been seen among the members of the White River Conference. At the very mention of his name, his tall and stately form, his classic features and handsome face come vividly before us. He was a man upon whom none could look without being impressed that within him were the elements of superiority.

He was not a native of Arkansas, though this was the field of his largest and most useful activities. He was born in Scottsboro, Ala., on the 6th day of February, 1856. Here he spent his childhood and youth, and laid the foundation of his subsequent career as a pulpit orator. He was converted when not more than sixteen years of age "down in the saw-dust at an old-fashioned camp meeting, while the congregation were singing some old hymn of Zion: he knew the exact day and hour." During the bright and happy days of his boyhood he formed some of the most enduring friendships. Perhaps the most beautiful and touching of all the glowing tributes that have been paid him was the one from his childhood companion, Mr. James Armstrong, editor of the Scottsboro Citizen.

He decided early in life to enter the ministry, and on the 7th day of March, 1874, before he was twenty-one years of age, he obtained license to preach from the Scottsboro Quarterly Conference, Huntsville District, North Alabama Conference. This same year he joined the North Alabama Conference and was appointed to the Maysville and New Market Circuit as junior preacher.

In July of the following year his mother died and the following were her parting words to him: "Go, my darling boy, preach as long as you live, and if the Lord will permit, I will be with you in spirit." He always felt that the loving spirit of his Christian mother was with him.

He was ordained deacon at Decatur, Ala., on December 17, 1876, by Bishop McTyeire. The following year he entered Vanderbilt University, where he graduated with honors in 1879, taking the Fomder's medal for oratory. The editor of the "Sunday School Visitor" says: "He was perhaps the most gifted orator that ever attended Vanderbilt."

After his graduation he came to Arkansas, to fill out an unexpired term of Dr. John W. Boswell, at Batesville, in the White River Conference.

He was returned to this charge the next year, 1880. This year he married Miss Kate Butler, daughter of Judge J. W. Butler, of Batesville. To them were born two children: Susie Wee, who died at the age of ten; and Kate M., now twelve years of age and living with her stepmother in Helena.

His next charge was Augusta, where he spent two years (1881-1882).

He was ordained Elder at Beebe, on December 11, 1881, by Bishop McTyeire, who had formerly ordained him deacon. He also received the degree of A.M. this year from the Arkansas College at Batesville.

From Augusta he was sent to Helena, where he remained three years (1883-1885). During this pastorate and through his personal influence was built the magnificent church edifice which stands today a monument to his splendid ability. He was transferred in 1886 to Missouri and stationed in St. Joseph, where he also remained three years (1886-1888). He returned to Arkansas in 1889 and was stationed in Ft. Smith, in the Arkansas Conference, where he remained another three years (1889-1891).

In 1890 the degree of Doctor of Divinity was conferred upon him by the same institution which had formerly conferred the A.M. degree. It was while he was in Ft. Smith, on February 19, 1891, that his little Susie Wee, his only child at the time, was taken. This was a fell stroke to the sensitive nature of the sympathetic father.

In 1892 Dr. Brown served West Batesville in the White River Conference. He transferred thence to Mississippi, and was stationed at Friars Point the following three years (1893-1895). On August 11, 1893, death again darkened and desolated his home in the removal of his wife.

From Mississippi he transferred back to Arkansas, and was again stationed in Helena, where he spent another three years (1896-1898). On December 7, 1897, he married Miss May Monier, of Helena, a young lady known for her culture and consecration. She survives him. From Helena, and without his knowledge, he was transferred by Bishop Morrison to the Little Rock Conference and stationed at Central Avenue Church, Hot Springs, where he spent four of the most effective years of his ministry (1899-1902). In this difficult charge of the unique city of vapors he drew large congregations and inspired his Church to the liquidation of an old and most burdensome and harrassing debt. Here he won many ardent admirers and enthusiastic friends.

From Hot Springs he was transferred back to the White River Conference by Bishop Hoss, and stationed in Jonesboro during 1903. The following year he had a supernumerary relation and resided in Hot Springs, where he owned a modest cottage home. A new sorrow came to him this year in the death of his noble father, Judge M. P. Brown. The devotion between Dr. Brown and his father was deep and lasting. The last literary production of the gifted son was a most beautiful and touching tribute to the deceased and lamented parent.

At the last session of the White River Conference Dr. Brown was restored to the effective list and again appointed to Augusta Station, the seat of the last Annual Conference. At this Conference he challenged an investigation of certain unsavory rumors that were in circulation against him.

The matter was brought before a committee of wise and good men, and not a man could be found who knew aught against his character. It is not impossible for good and great men to become the victims of suspicion and distrust. That Dr. Brown was a man of sincere and lofty purpose is best attested by the fact that those who knew him best believed in him most. He was a timid, modest man, diffident and reserved in his manner. "Few knew him well. Many thought he did not care to be known; he, however, was unaware that he appeared that way. The poor and those in distress never found him unapproachable—he was at his best when among them and when in his home."

And here, after all, is the real test of a true man.

Dr. Brown was the embodiment of refinement, true manliness, and lofty ideals. All of this was indicated in his genteel but unaffected personal appearance, in the expression of his face, in the mellow tone of his voice, and the pure, rich language that he spoke.

There was nothing narrow or little in the composition of his being. Broad in the sweep of his mind, warm in the deep affections of his heart, and unostentatious in the acts of his charity, he showed that he was a man well born and well bred.

As a preacher he did not lack any of the elements of a splendid orator.

He attracted the people to hear him and held them with his magni-

ficent flow of beautiful English. He usually delivered his sermons from manuscript, but with a skill that preserved the effect upon his audience to a wonderful degree. And while his preaching may have been somewhat wanting in unction, something not always lacking in pulpit orators; yet I never heard him that I did not feel the force of some great truth backed by a great and noble manhood. He never failed to stir within me some high and lofty aspiration. One thing that especially impressed me in the preaching of Dr. Brown was his freedom from the refined and current skepticism of the day: he seems never to have doubted the being or providence of God, nor the integrity of His word. And if he was not instrumental in the conversion of many souls he never failed to feed both head and heart.

Those who knew him well loved him, and everybody admired him; and though he had his faults, like every other man, there will ever linger a peculiar charm and a strange fascination about the name of Julien C. Brown.

He never lived to enter upon the duties of his last charge. After he had shipped his goods to that place, but before he himself had gone thither, he was seized with pneumonia while on a visit to Helena, his wife's old home: and on Christmas Eve day, 1904, he passed to his reward.

His funeral was preached by his long-time friend, Rev. Jas. A. Anderson, editor of the "Arkansas Methodist," assisted by Dr. H. G. Henderson, pastor of the Church of Helena, and his body was laid to rest in the Elmwood cemetery till awakened by the trumpet call of God's resurrection angel.

W. C. DAVIDSON.

IMPORTANT LETTER

CAMDEN, ARK., July 21, 1905.

MR. H. L. REMMEL, Manager,

Little Rock, Ark.:

DEAR SIR:—I beg to acknowledge receipt of check for \$1,117.10 from the Mutual Life Insurance Company of New York, as a cash dividend on my policy, No. 411,938, for \$5,000, which was issued by your Company 15 years ago on the Life, 15 Payment plan, with a distribution of the surplus at the end of 15 years, the premiums amounting to \$252.00 per annum.

I am now 58 years old, and for the surrender of this cash dividend to the Company, they offered me \$1,854.00 additional insurance, which, if I had accepted, would have given me a paid-up participating policy for \$6854.00 or they would have paid me \$3939.10 in cash for the surrender of the policy, which would have returned me \$159.10 more money than I had paid in, in addition to having had \$5,000 insurance for 15 years; but I have decided to take the cash dividend as above.

I desire to congratulate you and the Company upon the splendid result obtained under this policy. This cash dividend amounts to 29.55-100 per cent of the total premiums paid, or it is equal to 15 annual dividends of \$74.47 each.

Yours very truly,

JOHN C. RITCHIE,

of Ritchie & Company Wholesale Grocers.

Galloway College and Conservatory of Music

The largest Female College in Arkansas
and one of the largest in the South or West

SEARCY, - ARKANSAS

The teachers are from the best schools in the United States and the music directors and assistants are graduates of the finest conservatories in the world, Berlin and the Royal Conservatory in Leipsip, Germany.

Art, Elocution and Music Department Exceptionally Fine

Our commercial course is broader than that of any female college in the United States. The bath tubs are porcelain lined. Hot and cold water on every floor. New steam plant and the boilers and machinery over 100 yards from the college—an important item in the event of explosion. The girls are healthy and happy.

Bishop Keener says: "Galloway College, in the number and variety of departments, its personnel and in all its appointments, is equal to any female college east of the Mississippi."

The many new improvements and additions are greatly enjoyed. They were much needed and demanded by the growth of the school. The Annex, Natatorium, Deer Park, Gray Granite Walks and Fountains are some of the improvements. Send for catalogue. Address

LAWRENCE COUNTY

ARKANSAS

The land for the man with limited means, where every one can own his home and be happy. We have good water and health, splendid society, churches and schools; rich land and never-failing crops, no drouths, blizzards nor grasshoppers. The best of transportation facilities: three trunk lines, north, south, east and west, 2 1-2 hours to Memphis, 3 1-2 to Little Rock, 7 to St. Louis, 10 to Kansas City and 15 to Chicago.

We have the only country for truck, melons and small fruit farming. We are right at the market's open door. Cotton, corn and hay grow in abundance and always command good prices. The same of small grain and stock raising—"WELL THAT'S JUS' FUN"—no work, nor heavy feeding. We graze ten months of the year—only have to feed two months. We have elegant open range.

Zinc and lead of the richest quality abound in the western part of the county while the eastern half is devoted and admirably adapted to agriculture.

S. C. DOWELL, the Real Estate man of Walnut Ridge, Ark., is a hustler, and will take great pleasure in showing lands, answering correspondence. Mr. Dowell has any size tract, from a town lot [have 1,000 town lots for sale in Walnut Ridge and Hoxie] to the largest timber and farming lands in this and other States. He is also agent for the St. L., I. M. & S. R. R. and the L & F. S R R of which there are about 2,000,000 acres. Write or come to see Mr. Dowell: he will tell you all about the county, and can show you large bodies of cypress, long leaf yellow pine and white oak timbered land, fruit, dairy and stock farms, cotton plantations and small farms, coal and mineral lands, city and suburban property.

The paramount question with the Insurer in any Life Insurance Company is that of security, and the STATE LIFE claims superiority over any of its competitors in this respect.

FIRST. Because of the requirements of the law under which it is organized as to the character of its investments.

SECOND. The custody of its reserves, the Company being required to deposit with the State of Indiana the full legal reserve on all its policies in prescribed high-class securities.

\$3,750,000 deposited with State to guarantee the contracts of the company.

The largest dividends of any Life Insurance Company in the United States which average over 30 per cent. Paid Arkansas policy holders \$7.00 per 1,000 this year on annual dividend policies.

One and one-half million written in Arkansas this year. If your company is not paying you a dividend of 25 per cent you are not getting what is due you.

The Epworth Organ

is splendid to sing with—and its rich, full tone blends beautifully with the voices and gives a ringing note to the service.

The organist likes the EPWORTH organ because it is so easy to play. The large, easy-acting bellows is such a relief. The congregation likes it because the tone floats out to the remote corners of the room, and reaches the people back by the doors. The official board likes the Epworth because they get their money's worth. In buying direct from the makers at the factory price, they save the usual middle dealer's profit—a big saving.

To make it easy and safe for our customers to buy, no matter where they live, we ship Epworth organs on trial to responsible people anywhere in the United States. No money need be sent in advance; you can wait until the organ arrives, is found perfect and satisfactory. Organ must suit or be returned at our expense. By this plan we have sold thousands of Epworth organs to homes and churches throughout the United States.

We make a full line of organs for homes, Sunday schools, and churches. Our prices, \$40, \$55, \$65, \$80, \$90, \$100, etc.
